# General Manager's Message

By Bill Wagner, CCM

I hope you have all had a wonderful summer, filled with family, relaxation, travels, and fun. We are happy to see everyone returning to Riviera. School has begun and we are getting ready for another year full of exciting Social and Sports events.

In our continuing effort to increase communication with our membership, this year we are inaugurating a new publication that will give you, in advance, a schedule of all the major events at Riviera for the entire 2005-2006 season.

Many members who only focus on their special interests will likely be surprised at what a versatile club calendar we have put together. This new brochure, which will reach you in September, will give you the time needed to make plans to attend the many and varied opportunities for fun at your club.

In preparation for the coming season, we have also been busy sprucing things up around the club. We have been reupholstering the dining room chairs upstairs in the Candlelight Terrace Room, recarpeting, replacing refrigerator units in both bars, and adding more choices to our draft beer list in the Grille Room. We have also started the extensive work it will take to bring our air conditioning into the 21st century!

On page 7, you can read about our new Athletic Director, Lee Naccarato. We are very excited about having Lee join our team. In addition to fitness, she will also be coordinating our youth activities. She comes to us with excellent credentials and an enthusiasm that will help her fit easily into the Riviera family. Please stop by and give Lee a warm welcome.

In October, we will welcome another group of employees from South Africa. Some will be joining us for the first time, and others will be returning for a second season. These energetic young people will be with us until May, so be sure to say hello and make them feel at home.

Here's to another great year!

*Bill Wagner*

**Farewell, Scotty**

After being with Riviera for 28 years, Josephine "Scotty" Scott, retired this summer. As a server, she saw the Club grow from having a small, cramped dining room— with one cook and one bartender! – to the much larger and more sophisticated facility we have today.

Scotty says she will miss the Members and her fellow employees, many of whom feel like family. Nevertheless, she is looking forward to having time to go fishing, stay in bed and sleep, watch soap operas, and do whatever she likes.

We will miss you, Scotty, and wish you well in all you do.

The new year has begun for the Riviera Women's Golf Association. Past President Johanne Harries has done a wonderful job encouraging all members to participate in the weekly play and the special events. Kudos to her! Now our new president, Bixie O'Connell, will continue the friendly atmosphere and bring her creative talents to the group.

Also note, the staff has converted our handicapping system to GHIN. This system is supported by the USGA and will help to keep all players' handicaps as current as possible.

Thanks for your cooperation.

## Christina's Corner

As the summer draws to an end, our fall season kicks off in the Pro Shop with some great new styles and colors. September brings some plaids, stripes, and vibrant colors.

### First, a quick overview of August success stories:

1. **Adidas** for men came in and was received with great enthusiasm. The ClimaCool material plus great styling and color make for a cool golf shirt that's easy to wear. We will be getting more Adidas in throughout the Fall season
2. **Oakley** sunglasses hit the store and have been a welcome addition to our floor. They provide excellent coverage along with a fashion flair that allows them to be worn for different occasions.
3. **Nike Dri-fit** for men has also done quite well. It is a similar material to that of Adidas, however the styling may be considered a little sportier than Adidas.
4. **Tommy Hilfiger** and **Tehama** came in and gave the women's area a breath of fresh air!

### For September, the panorama looks like this:

1. New line of **Carnoustie** men's shirts in butter, white, and light blue
2. **New Tail** collection for golf in black (yes, black) and fuchsia, in a great plaid pattern
3. Small collection of new **Footjoy** golf shoes for both men and women, along with fantastic-looking windshirts
4. **Men's Lacoste** dress shirts in blues and pinks, along with dark color cardigans and sweaters
5. **Women's Lacoste** polo shirts in ink blue, pumpkin, and black, along with a V-neck sweater and some loungewear

### Tennis

1. Another new **Tail** tennis collection, this time in orange, green, white, and black

*As always, please feel free to stop by my office with any questions or concerns you may have...or just to say hi!*
